\*\* A breach of the requirements pertaining to unfinancial (Person of Interest) will result in the **Administrative Forfeit** of the game by the team that breaches this condition.

## 3. MEMBERSHIP

All players are required to be registered as a Platinum member of **VWA**. This membership must be either an Adult Platinum membership or Under 19 Platinum membership. **VWA** Memberships are non-refundable and / or non-transferable. #### 4. STATE LEAGUE REQUIREMENTS

For 2023, the **WAVL State League** format is as follows;

To be eligible to play in the **State League** of **WAVL**, **Clubs** must meet the **WAVL State League** Criteria as outlined in the Appendices.

- Each team roster per match may have up to twelve\* players including **Development Players**.
- **Clubs** must comply with **Development Player** regulations in regulation 7.
- **Clubs** must comply with the coaching requirements outlined in regulation 9.4
- **Clubs** must comply with the Duty Requirements in regulation 9.2
- If there are more than eight teams / **Clubs** nominated for **State League**, or more than ten teams / **Clubs** nominated for **State League Reserves**, the final selection of the teams will be based on results from a Grading Day\*\*. **Individual players who play on the State League Reserves Grading Day are required to play the first 5 games of the season in State League Reserves.**
- **State League** Teams must comply with the Home Game requirement in regulation 8.5.
- **State League** teams must comply with the **FIVB** International Transfer Process in regulation 15.

\*Following the 2022 season, the 12 player rule will remain. Teams can list a total of twelve players on the scoresheet, including one-two development players, or teams can choose not to list any development players and still have twelve players on the scoresheet. The playing roster cannot exceed 12 players. This applies to regular season and finals, noting that development players are not permitted in finals. See Section 7 for details about Development Players and Eligibility for Finals.

\*\*If a team / **Club** gets graded out of **State League** or **State League Reserve** on **Grading Day**, that team / **Club** will need to regrade into the division below. From Division 1 Grading and below, noting that there can only be one team per **Club** per division (unless **VWA** has spots to fill), if there is another team from the same **Club** in the division below, that team / **Club** would then automatically move down a division, and so on.

## 5. DIVISIONS REQUIREMENTS

For 2023, the **WAVL** Divisions will be continuing the 2022 format which is as follows;

- Division #1
- Division #2
- Division #3
- Division #4
- Division #5
- Division #6

Additional Divisions will be added as required.

To be eligible to play in the Divisions of **WAVL**, **Clubs** must meet the **WAVL** Division's Criteria as outlined in Appendices.

- **Clubs** can nominate as many teams as they like, capped at one per Division, per gender (unless **VWA** has places to fill).
- Each team roster per match may have up to twelve\* players including **Development Players**.
- All **Clubs** must comply with the coaching requirement outline in regulation 9.4 Coaches.

If there are more than ten teams / **Clubs** nominated for a particular division, the final selection of the teams will be based on results from a Grading Day\*\*. **Individual players who play on a Division Grading Day are required to play the first 5 games of the season in the same Division they graded in.**

\***Following the 2022 season, the 12-player rule will remain.** Teams can list a total of twelve players on the scoresheet, including one-two development players, or teams can choose not to list any development players and still have twelve players on the scoresheet. See Section 7 for details about Development Players and Eligibility for Finals.

\*\*If a team / **Club** gets graded out of the nominated division on Grading Day, that team / **Club** is automatically guaranteed a place in the division below. Noting that there can only be one team per **Club** per division (unless **VWA** has spots to fill), this would mean that if there is another team from the same **Club** in the division below, that team / **Club** would then automatically move down a division, and so on.

## 6. NOMINATION AND GAME FEES

All team nomination fees and team game fees (including finals) for all Club teams will be invoiced to the Club. All fees will be expected to be paid in one of the options below:

## 6.1 Withdrawals

### State League & State League Reserves

If a **Club** withdraws a team prior to the commencement of the writing of the fixtures then the **Club** will be required to pay a forfeit fee of \$500.

If a **Club** withdraw a team after the fixtures have been released they will forfeit all game and nomination fees and will thus be in breach of the **State League** and/or **State League Reserves** license and may have their **State League** and/or **State League Reserves** license revoked.

### Divisions

If a **Club** withdraws a team prior to the commencement of the writing of the fixtures then the **Club** will forfeit the team nomination fee.

If a **Club** withdraws a team prior to and including round three of the competition, the **Club** will forfeit nominations fee and game fee for the first three rounds.

If a **Club** withdraws a team after round three of the competition, all nominations fees and game fees for those matches played by the team are payable and the **Club** will pay a forfeit fee of \$600.

## 7. PLAYER ELIGIBILITY

A member of a particular **Club** can only play one game for that **Club** on any given round of the **WAVL** fixtures. Junior players can play in both **WAVL** and **WAVJL** fixtures. **A round is defined as the date the game was listed on the initial fixtures. If the date of a game is changed due to a reschedule or home round, that game will be attributed to the round of the initial date listed. For example, games listed on Friday by VWA are considered a different round from Sunday, but games rescheduled by Clubs from a Sunday to Saturday in the same weekend are attributed to the Sunday round.**

### SCHOOL STUDENTS

These athletes are then permitted to play for a different **Club** in **WAVL**.

### DEVELOPMENT PLAYERS

A **Club** can only list a player as a **Development Player** if they fall into either of the following categories:

- The player is Under 23 years of age;
- The player is within their first three years of participating in WAVL (or an interstate/international WAVL equivalent)

Each **Club** can nominate two **Development Players** per team in all divisions up to and including **State League** Reserves. **Clubs** are entitled to play a **Development Player** twice in any given round of the regular season fixtures (not the finals), and that player can only play in their nominated division and a higher division. **Clubs** who decide to list a **State League** squad, where players are selected into either **State League** or **State League** Reserves each round, are also entitled to two **State League** Reserves **Development Players**, and these are the only players in the squad who can play twice in any given round in the regular season.

A list of each **Club's Development Players** can be supplied with the submission of the team lists. **Clubs** can make two changes to each team's **Development Players** per year. If a **Club** wishes to change a **Development Player**, a written submission must be supplied to the VWA Competitions Coordinator no later than four working days prior to the player taking the court for the **Club** as a listed **Development Player**. If **Development Players** are not submitted with teams lists a **Club** may list their **Development Players** during the season. A written submission must be supplied to the **WAVL Technical Committee** no later than four working days prior to the player taking the court for the **Club** as a listed **Development Player**. The first listing will not count as a change to the team's **Development Players**.

The **WAVL Technical Committee** will decide on any exemptions related to injured players. Any requests for exemption due to injury must be accompanied with a Doctors / Specialist Certificate and / or letter.

**Development Players** are not permitted in finals. Please see Section 7.2 Eligibility for Finals for details about team rosters in finals.

---

#### FIFO AND DIDO

**FIFO** and **DIDO** players will be eligible to play **WAVL**. Please refer to Section 7.2 for eligibility for **WAVL** finals.

---

#### WA ATHLETES REPRESENTING AUSTRALIA

**VWA** has adopted the **VA FTEM** pathway model (Fundamentals, Talent, Elite & Mastery) and to this end are supportive of the ongoing pathway development for all Australian Volleyroo athletes. All Western Australian players representing Australia are eligible to play in **WAVL** and **WAVL** Junior League. Please refer to Section 7.2 for eligibility for WAVL finals.

### 7.1 Avoiding Forfeit – Eligibility to Play

To avoid a forfeit one male player and one female player for every two male and two female teams respectively can play two games for your **Club** on any competition day (not including finals). The number of players will not exceed two males and two females per **Club** / School.

A development player is not permitted to play a third game to avoid a forfeit.

### 7.2 Eligibility for Finals

Players must have played a minimum of five **WAVL** Division games for a **Club** on five different playing rounds to be eligible for finals. To qualify for **State League** finals, players must have played a minimum of Five **WAVL State League** games for a **Club** on five different playing rounds.

The following exceptions apply;

- **FIFO** and **DIDO** players: for all the rounds a player is available (based on their work roster), he / she is permitted to miss only one game to be eligible to qualify for finals. **Clubs** are required to provide the **WAVL Technical Committee** with a copy of the relevant working roster for the player.
- WA athletes representing Australia not residential in Western Australia: to be eligible to play in the final series, a Western Australian player must have played at least four games during the season.
- Players injured during the season can apply to the **WAVL Technical Committee** for an exemption. Any requests for exemption due to injury must be accompanied with a Doctors / Specialist Certificate and / or letter.

Players can only play finals for the Division in which they played most games, or a higher division. If a **Clubs'** team is eliminated from the finals, then these players are eligible to play in a higher Division in the following rounds. Once a player begins competing in a division for finals, they are not permitted to play in a lower division. All players are permitted to play in only one match per round. **A round is defined as the date the game was listed on the initial fixtures.**

In the event of having more than one team in any division, a player can only play in the final series for the team he / she has played the most games for. **If the number of games played is equal, the Club can choose which of the two divisions to play this player in finals.**

### 7.3 State League End of Season Eligibility

At the end of the State League regular season (for 2023 this is July 2<sup>nd</sup>) a player that has played a minimum of five State League games will not be eligible to play in another division. The only exclusion is for Development Players. These players are eligible to continue playing in their division after the State League regular season, but will only be eligible for their division's Finals if they have played the same number of games or more in their division as they have played in State League.

### 7.4 Player Transfer

Players cannot transfer to another **WAVL Club** during the season after playing one game for a **WAVL Club**. A breach of this process will result in the **Administrative Forfeit** of the game that the player has played in.

If a player is unfinancial with a **Club**, it is the responsibility of the **Club** President or Treasurer to notify **VWA** of this status. The individual player will then be placed on the **VWA** 'Person of Interest' list.

## 8. COMPETITION STRUCTURE

All grades in **WAVL** will have a minimum of four teams. The number of rounds and games played will be determined based on the number of teams in the grade.

The **Club** requesting rescheduling of a match is responsible for organising a venue and duty team. The **Club** is also responsible for picking up the game ball and score-sheet from **VWA**. If the requested change is made outside of the venue facility cancellation policy timeframe then the requesting **Club** is responsible for payment of any venue hire costs payable by **VWA**.
